Security Information

Official Diary

Monday, 10 December 1951

Attended Assistant Directors' meeting.

Attended special meeting called by the Director to establish ground rules on support of operating offices and undertook to prepare record memorandum of that meeting and clear with [] Johnston, et al.

For the record, [] informed me that the intelligence being given to the [] (as referred to in the Log and in a recent diary item) was locally produced [] material and this did not involve dissemination of CIA evaluated information.

[] of OSI phoned stating that there was some mixup about the transfer of people from [] to CIA [] and that Saunders would not act because he had not been informed of the agreement. On checking I found that all the facts respecting this agreement had been given to [] and I contacted his office and asked that he see that Saunders was informed. Informed [] of this.
